**SOCIAL MOBILITY REP**

**ON DIVERSITY COMMITTEE**

I've been Membership Engagement Officer for East of England since April 2024 and I'm looking to take the next step to make an even bigger impact on the Young Liberals - hence why I'd like to run for Social Mobility Rep on the Diversity Committee.

**I WILL...**

- Work with the Federal Accessibility, Diversity & Standards Officer and the rest of the Diversity Committee to ensure YL is an accessible and welcoming community for working class young people
- Encourage, and advise on, policy submissions that pertain to equity and equality
- Increase visibility of Diversity Committee through events and YL social media channels
