Put me on the 2024 Young Liberals International Committee

Led YL team up to 4th in Ali Carmichael's Spring Conference quiz. 3rd next year.

Let's learn from European democracies how to Power Up our voting system to STV so our centrists can beat Labour to #1.

My gf lives in Chicago where I'll volunteer for DNC 2024 again like 2016. I'll support our sister party's efforts to get a Young(er) Democrat on the presidential ballot.

I can attend events in Europe. We recently remembered my granddad at D-Day 80, where we stayed til the end..

as a UK-US Fulbright Scholar in technology, I've led thinking on protecting British youth from Silicon Valley profiteering. As well as my *Ctrl-Alt-Rap* diss tracks, I'll continue to write thinkpieces on regulating Big Tech for LD blogs like: [Lib Dem Voice \(2023\)](#) | [Liberal England \(2024\)](#)
