

Sarah For Comms

Hi! I'm **Sarah** and I'm running to be **YL Communications Officer**. I'm currently on a sabbatical year in a students union, meaning I have lots of experience **sending emails** and **drafting press releases**. I've also acted as Comms Officer for several uni societies, promoting events with short form video content. I've been a Lib Dem member for just over a year and have been a **branch rep on the East of England YL Exec**. I'm now excited to work on a larger scale!
